MAZY WILLIAMS (/KATHYGOLD.WEEBLY.COM/MONEY/MAZY-WILLIAMS)

6/29/2016

She's a white woman with possibly a fake name.

My old address 11100-8 Sepulveda Blvd, #512, Mission Hills, CA 91345.

In Dec/Jan of 2015/2016 I went to get my mail and she and a black guy said they bought the business. Later, I'm told that she's the owner and the black guy is her employee.

My mail was tampered with more then once and on April 19th, this woman verbally and emotionally abused me, she violated my 1st and 4th amendment and also intimidated me and threatened me, she insinuated that if I talked to her employee(s), she would murder me.

So I started my investigations for Federal Court, she had no business license per the city, the phone they were using was still in the old business's name, the old business Mail Fax Plus USA, she got a DBA for her company, Mail Fast USA, the onsite signage was in the old business's name, Mail Fax Plus USA. She said she was watching me thru her cameras, so she'll know when I'm talking to her employees. I never gave her permission to video tape me, that's a violation of my 4th amendment. The old owner had permission in his contract with me and that became null and void when she took over that business cause that went with Mail Fax Plus USA and not Mail Fast USA.

The address on the DBA she filed in Dec of 2015, the person that lives there is a man by the name of Williams Mazy per the White Pages

I had that address for over 10 years, and she caused me PTSD and more damages. I believe she might have murdered, her and her group might have murdered the old owner and moved in. Mazy might not even be her real name, it might be a set up, premeditated crimes to set up the black employee or another black person for her crimes while she gets away, scott free. It's really too bad that the law enforcement in the USA is not educated on premeditated crimes and how they work, they just end up putting innocent people constantly in prison or In Justice. We have DNA now, but this woman can take DNA and leave it at the crime scene and voila. Or a set up.

I also got mental image pictures from her, she was very pissed off, angry and wanted to murder one of the daughters that lives at Deseret, the girl that drives the white ford. I guess that girl tried to open my mailbox to steal my mail too or did? The girl that drives that white ford, she had to have driven to my mailing address for Mazy Williams to know about her. Why did she drive up there? It's weird, normal people don't do that, normal people talk, communicate. Normal people also don't commit hate crimes on their tenants either.

I know Mazy is cyberstalking me too, my best advise to her is sue these people at Deseret in Federal Court. I don't think it's a good idea to go and murder the girl that drives the white ford, put her in prison instead and make bank.
